

Equality and Diversity in School Leadership

Apply Now for Leadership Development Funding

Grants of up to £6,000 available
(More may be available for larger scale proposals)

Round 1 funding
applications close
5 October 2018

Round 2 funding
applications close
5 December 2018

Northern Lights Teaching School Alliance is able to offer DfE funding to schools for targeted development programmes which aim to promote equality and diversity in school leadership.

Schools can design their own projects around their own local needs and requirements – such as targeted coaching, mentoring and/or development sessions for those currently under represented in leadership roles.

This funding is available to schools (and groups of schools) in the Northern Region and also the East Midlands & The Humber Region.

- Funding to design your own programme
- Unlock new leadership potential
- Develop a more diverse senior team
